Mental challenges

Real insight

Advanced learning

“This isn’t about assessment...”

No preparation required

Not a skills workshop

Not a corporate jolly

“I’m going to read some instructions and I’m going to read them only once...!”

“A really amazing weekend”

“Learning lots...”

“Opened your mind in many ways”

Thinking, confidence

“A real insight into the company”

“More than I hoped for”

“Priceless”
